

Table with multiple columns: Race Number, Date, Race Name, Horses, Odds, Race Time, and Winner. The table is organized into sections for different races and years (e.g., 2017年度). It includes detailed information about each horse's performance, including race number, name, jockey, and various statistics like odds and race time. The table is divided into sections for different race types and conditions, such as 'サラ系3歳' and 'サラ系3歳'.
