

Table of horse racing results for December 3, 2013. The table is organized into multiple sections, each representing a different race. Each section includes a header with race details (race number, start time, track, distance, and race type) and a grid of race data. The data grid lists horse numbers, names in Japanese, and their performance metrics. Below the race data, there are summary statistics such as '本場' (Home), '全場' (Total), and '収入' (Revenue), followed by a '馬場状態' (Track Condition) report. The report includes a weather forecast and a track condition analysis, including a sand thickness measurement table.
